ETO iPads Enhance Learning at GAHS

Awesome! Amazing! Fabulous! These are some of the words expressed by faculty and students as they explore the new and creative ways to teach and learn using ETO technology. With the start of second semester, high school students were each issued an iPad and received instruction on the proper use and care of the device. We celebrate the combined efforts of our Tech Department, Admin Team, Faculty and Staff for the successful and efficient roll-out of iPads to all high school students. A special thanks to Library Aide, Kim Berger, and the front office staff of Gina Zehrung, Corry Eagler and Kim Combs for going above and beyond with a smile during the rollout!

We are also excited to launch the new ETO Student Help Desk in the High School Library/Media Center. This is the go-to place for students to receive assistance with their iPads and answers to their technology questions. Staffed by technology-minded students these talented teenagers provide an invaluable service to our staff and students. G-A Proud!

STUDENT COUNCIL

Congratulations goes to Mrs. Ditchcreek's homeroom for winning the holiday door contest! The winning homeroom raised \$142.52 and was treated to a pizza party by Student Council.

Determining the winner of this year's Holiday Door Contest took a bit longer to tally as we had \$744.56 in change to count, plus \$91.00 in cash. Because of your generosity, \$835.56 was donated to the Greencastle Exchange Club. Wow!

Cheer on your favorite teachers at the GAMS vs GAHS Teacher Basketball Game on Thursday, February 26 at 7 p.m. in the HS gym. Admission is \$5 for adults and \$2 for students. Follow @goldandblue.studentcrew on Instagram for Student Council events and updates!
